

# Top Tips for using Gaelic at Home

## Make Gaelic part of home life

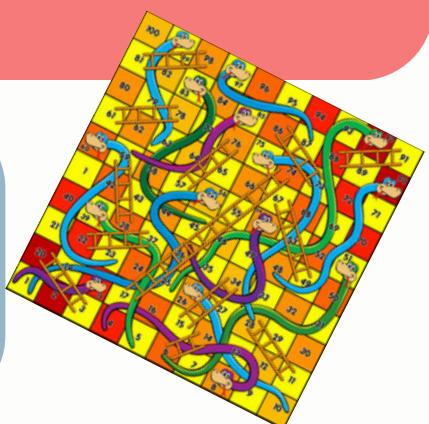

- Enroll yourself in a Gaelic class, ask Comann nam Pàrant about free learning opportunities: fios@parant.org.uk
- Make Gaelic fun and praise children whenever they use Gaelic.
- Create a Gaelic environment by having:
  - Gaelic Radio/music on in the background
  - Gaelic books available
  - Gaelic posters or signs

- Listen to the audio files of reading books before starting to read with your child. That way you will be more confident of the sounds. Say a word or phrase (from the audio file of reading book) and ask your child to find it in the book.
- Play board games using Gaelic words and phrases as much as you can and other games such as 'I spy' in Gaelic 'Chì mise le mo shùil bheag'
- Put a Gaelic label on everyday objects in the house to remind you of the words.
- Encourage your child to teach you a new Gaelic word each day.
- Arrange playdates with other Gaelic speaking children.
- Watch BBC Alba and encourage children to watch Gaelic children's TV.
- Watch Gaelic Cartoons with your child and ask them to write a couple of sentences about what happened or to draw a picture.
- Have 'Gaelic' times e.g. meals, going to bed, getting up...
- Learn Gaelic phrases that you can use with your child and use them, for example, when looking at books.
